# FALL PROMOTIONS AND FINANCING DEALS

## Low financing on purchases from qualifying vendors

0% for 12 equal payments or a discounted  
rate of 5.95% over 36 months.

Bionet, Core Imaging, CryoConcepts, Cutting Edge Lasers,  
High Volume Oxygen, MyVet Imaging (only applies to  
purchases of the EzRay Air Portable Handheld X-Ray  
78945967), NOVAIR USA Corp., Sedecal, VetOvation, Zomedica  
(only applies to purchases of VetGuardian 78949344)

## Free with purchase

Receive a free probe with the  
purchase of a qualifying Piloter,  
Clover, Navi or Clivia unit. This deal  
can NOT be combined  
with fall financing rates.

Probe options per unit:

Piloter: L10-5 or C5-2, Clover: L15-4  
or C5-1, Navi: L15-4 or C5-1, Clivia:  
L15-4NBH or C6-2H

Fall financing rates (0% for 12 months of equal payments or 5.95% for 36 months; both are applicable only to the select vendors that are part of the program) for all equipment must be approved by December 31, 2023. To take advantage of the financing rates, equipment must be installed by December 31, 2023. Special finance rates are level financing only. Other terms are available at our standard rates. Financing is through Patterson Veterinary and dependent on Patterson Veterinary approval. Rates are subject to change upon approval or promotion expiration. Financing does not include software or hardware. Subject to credit approval and financing terms. Ask your Patterson representative for details.
